COMMON QUESTIONS

WHAT IS THE TIMEFRAME FOR MY EVENT?

If additional timing details have not been discussed and confirmed through email, the event window is set for 2-hours from the contracted start time. We will have your space available 30-minutes prior to event time if you would like to decorate, and will allow 30-minutes following to allow time to remove decorations and load out. Time beyond that may incur additional fees.

WHAT IS AN F&B MINIMUM?

F&B minimum is the minimal food & beverage spend required for your event. All food and beverage purchased on the main bill will apply towards the F&B minimum. Any unmet minimum will be calculated at the culmination of the event and the difference, if any, will be added to bring the sub-total up to the F&B minimum amount. F&B minimums do not include service charges or taxes - only the sub-total is applicable to the minimum.

IS GRATUITY INCLUDED? WHAT ARE THE DETAILS?

We will apply a taxable 18% staff charge calculated from the sub-total to the bill. Per law, taxes will be applied to staff charges. You may elect to add additional gratuity at the end of the event if you choose.

WHEN MUST I CONFIRM MY MENU SELECTIONS AND FINAL GUEST COUNT?

All food and beverage selections, as well as final guest counts, must be provided with a minimum of 72-hours prior to the event. This allows us time to staff, order product, and prepare appropriately. Any changes with less than 72-hours may not be able to be accommodated.

WHAT IS A DEPOSIT, HOW IS IT PROCESSED, & HOW DOES IT APPLY TO MY BILL?

A deposit calculated as 50% of your proposed event total must be secured by credit card authorization before your event is confirmed. Deposits will be collected through a secured credit card portal. The deposit will only be charged and retained in the case of a cancellation of event outside of the cancellation terms detailed below.

WHAT IS THE CANCELLATION POLICY?

You may fully cancel your event without penalty by providing in writing, cancellation with a minimum of 72-hours prior to your event. 21 Square will retain the 50% deposit in the event of a cancellation with less than 72-hours. Cancellations must be provided via email.

HOW DO I KNOW MY EVENT IS CONFIRMED?

Your event will be confirmed once a credit card has been processed for the deposit amount. Once 21 Square has received confirmation of the deposit charge, you will be notified at which point your event has been locked in.

CAN I DECORATE?

Of course! Feel free to bring your own touch to your event. We do not allow glitter, confetti, feathers, or anything taped or adhered to our venue. Balloons should be secured by weights. We are family friendly, and ask that your decor be as well. We also ask that you do not bring outside music. All decoration must be reviewed and approved by 21 Square before using.

CAN I BRING MY OWN CAKE OR WINE?

We will charge a \$3 per person cake cutting fee for outside cakes. We will allow outside bottles of wine for a \$30 per bottle corkage fee. All fees are subject to taxes and staff charges

CAN I BRING MY OWN FOOD?

We do not allow outside food or beverage unless previously discussed with your event manager, within our Cake and Corkage terms. Need to add food during your event? Just let us know and we will help get additional food ordered for you.

HOW DO I PAY FOR THE EVENT?

Even though you provided a credit card for the deposit, we do still require a credit card to be on-site to pay for the final bill at the culmination of the event. The deposit will not be applied, and will be waived once the final payment has been secured at the end of the event. We cannot accommodate individual credit cards per guest, but can allow up to 3 separate credit cards where you may dictate dollar amounts to be applied to each card in order to finalize the bill.

WHAT INFO DO YOU HAVE REGARDING PARKING?

We validate self-parking which provides free parking for up to 2-hours. Valet parking can be validated for a reduced rate of \$21 for 2-hours. Additional fees apply if extending beyond 2-hours.

THANK YOU
