

TRIVET

At Trivet, our beverage programme is a celebration of Te Moana-nui-a-Kiwa — the great Pacific Ocean that connects Aotearoa with the islands, cultures and stories of Polynesia.

Our cocktails draw inspiration from the legends, landscapes and traditions of the Pacific, bringing together indigenous ingredients, contemporary technique and a distinct sense of place in every glass.

Alongside these stories is a wine list guided by one simple philosophy: quality first. We proudly champion exceptional New Zealand winemakers, alongside wines of character and craftsmanship from around the world. Each has been thoughtfully selected to offer an outstanding experience, whether enjoyed by the glass or shared over a bottle.

Much like Chef Wallace's cuisine, our drinks balance the familiar with the unexpected — approachable, yet with a spirit of discovery. Whether you arrive knowing exactly what you would like or are ready to try something new, there is a pour waiting to become part of your Trivet journey.

Behind every cocktail and every wine is a story worth sharing. We invite you to explore them with us and allow our team to guide you towards the perfect pairing for your experience.

Pursued by another taniwha, Poutini fled to the West Coast of the South Island, where he transformed into the precious greenstone. Today, pounamu is treasured as a symbol of strength, protection, and connection.
