

# BREAKFAST

## Our Way of Sourcing

*At Lily's, our dedication to responsible sourcing is driven by a genuine respect for local farmers and the sustainable agricultural practices that enrich our culinary offerings.*

*Understanding and knowing where our food comes from plays a crucial role in this commitment, enabling us to forge partnerships with local farms and purveyors. These relationships ensure that our ingredients are not only seasonally aligned but also sourced with ethical practices in mind, thereby supporting the local community and minimizing our environmental impact.*

As such, any items marked with a symbol 🌱 celebrate local purveyors and their products.
