ST REGIS
BALI

The Bloody Mary

In 1934, famed bartender Fernand Petiot at The St. Regis New York's legendary King Cole Bar perfected the recipe for a vodka and tomato juice cocktail he called The Bloody Mary. Deemed inappropriate for their elegant clientele, it was rechristened into the Red Snapper. While the name may not have stood the test of time, the beloved Bloody Mary remains the signature cocktail of St. Regis and can still be enjoyed where it was originally concocted – under the watchful eye of the old King Cole, Maxfield Parrish's brilliant iconic mural.
