Shaken not Stirred

The Marriott Marquis opened on October 17, 1989, the day of the Loma Prieta Earthquake (6.9 Richter Scale).

Built with better earthquake proofing than several nearby hotels, the building only lost a single window.

All glassware above the bar at the 39th-floor View Lounge crashed to the floor. Only one martini glass survived.

It is currently on display in The View Lounge.

After the TEN/89 earthquake, many people in the neighborhood surrounding the Marriott Marquis were stranded due to the fallen structures and road closures. Our hotel takes pride in the memory of welcoming the community by sheltering people in our ballrooms.

A portion of the Martini Mondays proceeds will go
towards Children's Miracle Network Hospitals.
